Team

Joanna Jaworek-Korjakowska,
Associate professor (dr hab. inż., prof. Uczelni)

h-index (Scopus): 21

jaworek@agh.edu.pl
Homepage
SkOs

Research interests:
- deep learning
- machine learning
- computer vision
- medical image analysis (early detection of melanoma)

Competences:
- MATLAB (image processing, data analysis)
- Python (TensorFlow, scikit-learn)

Paweł Kłeczek, PhD

h-index (Scopus): 9

pawel.kleczek@agh.edu.pl
Homepage
SkOs

Research interests:
- digital image processing
- machine learning
- medical image analysis (digital dermatopathology)

Competences:
- programming (Python, C, C++, MATLAB)
- LaTeX

Anna Wójcicka, PhD Eng.

h-index (Scopus): 6

wojcicka@agh.edu.pl
SkOs

Research interests:
- digital image processing
- medical and material image analysis
- 2D 3D Graphics

Competences:
- programming (Python, C, C++, Matlab)

Andrzej Brodzicki, PhD Eng.

h-index (Scopus): 7

brodzicki@agh.edu.pl
SkOs

Research interests:
- computer vision
- neural networks
- medical applications

Competences:
- programming (Python, MATLAB)

PhD students

Dariusz Kucharski, MSc
PhD student

h-index (Scopus): 6

darekk@agh.edu.pl

Research interests:
- deep learning
- machine learning

Competences:
- programming (Python, C#/.Net)

Michał Piekarski, MSc
PhD student

h-index (Scopus): 3

piekarski@agh.edu.pl

Research interests:
- neural networks
- anomaly detection
- application in accelerators

Competences:
- programming (Matlab, Python, Cpp)
- LaTeX

Aleksander Kostuch, MSc
PhD student

kostuch@agh.edu.pl

Research interests:
- machine learning
- computer vision in automotive

Competences:
- programming (Python, Cpp)

Maciej Aleksandrowicz, MSc
PhD student

Scopus

macal@agh.edu.pl

SkOs

Research interests:
- reinforcement learning
- computer vision in robotics
- neural networks

Competences:
- programming (Cpp, Python, ROS)
- LaTeX

Filip Noworolnik, MSc
PhD student

fnoworol@agh.edu.pl

Research interests:
- computer vision
- deep learning in biomedicine
- automotive

Competences:
- programming (Python, Julia, Cpp)

Bartłomiej Moniak, MSc
PhD student

moniak@agh.edu.pl

Research interests:
- machine learning
- computer vision
- medical applications

Competences:
- programming (Python)
- networking

Tristan Malatyński, MSc
PhD student

tristan@agh.edu.pl

Research interests:
- deep learning
- machine learning
- computer vision

Competences:
- adversarial attacks
- XAI
- LLM's

Jan Tyc, MSc PhD student	Research interests: Competences: • zawodowy koszykarz • wybitny korepetytor • mikroprzedsiębiorca
jantyc@agh.edu.pl	

Sebastian Jankowski, MSc PhD student	Research interests: Competences: • znany influencer • treser egzotycznych zwierząt • za dnia programista, nocą haker
