PhD students

Andrzej Brodzicki , MSc PhD student	
	Research interests: • computer vision • neural networks • medical applications Competences: • programming (Python, MATLAB)
h-index (Scopus): 4	
brodzicki@agh.edu.pl SkOs	
Dariusz Kucharski , MSc PhD student	
	Research interests: • deep learning • machine learning Competences: • programming (Python, C#/.Net)
h-index (Scopus): 3	
darekk@agh.edu.pl	
Michał Piekarski , MSc PhD student	
	Research interests: • neural networks • anomaly detection • application in accelerators Competences: • programming (Matlab, Python, Cpp) • LaTeX
h-index (Scopus): 3	
piekarski@agh.edu.pl	
Aleksander Kostuch , MSc PhD student	
	Research interests: • machine learning • computer vision in automotive Competences: • programming (Python, Cpp)
kostuch@agh.edu.pl	

Maciej Aleksandrowicz , MSc PhD student	Research interests: • reinforcement learning • computer vision in robotics • neural networks Competences: • programming (Cpp, Python, ROS) • LaTeX
	
macal@agh.edu.pl	

Filip Noworolnik , MSc PhD student	Research interests: • Lena image analysis • Curling • Using anime for education Competences: • HTML programming • LabVIEW • DOTA 2 player
